

# Cake Master

## 2 PLAYER VARIANT

### HOW TO PLAY

When playing with 2 players, the game stays the same, except how you chose and share your Cake cards.

1. **Draw.** Each player draws 3 Cake cards from the drawpile.
2. **Choose and share.**
  - i. Secretly, each player chooses one of their 3 cards in hand and places it face-down in front of them. They then pass the remaining 2 cards to their opponent.
  - ii. Each player chooses one of the remaining 2 cards they just received. They place it face-down in front of them and give the last card to their opponent.
  - iii. Each player then uses that last card and the 2 face-down cards they chose previously to assemble their 3 cakes for this turn.
